

DCSMEC NOTICE

March 2012

Dear Members:

I would like to thank all the members for the “*great*” turnout at last night’s Regular Membership meeting. We had two By-Law Resolutions that were voted upon for a second reading and both passed. Our By-Laws will be adjusted to reflect that the South Florida Building & Construction Trades Council “will elect four (4) Business Managers from the local unions that correspond with those trades represented by DCSMEC to serve on the Executive Board.” The second resolution will allow the membership to elect a new Business Agent/Financial Secretary Treasurer should the position become vacant between our normal 3 year election cycles. Nominations will be made at the next Regular Membership meeting and a vote will take place within 6 weeks. A motion was made and carried to utilize the already existing voting procedures in the Constitution and By-Laws.

Next a motion was made and carried to bring the recommendation from the Policy and Procedures Committee to be adopted by the membership. These recommendations were reviewed and then voted on and passed by a large majority to be adopted as a guideline for the Officers of the Union. Last we reviewed three (3) new By-Laws Resolutions that correspond to the Policy and Procedure recommendations. All three Resolutions were passed by a large majority vote. The three (3) Resolutions will be read at the next Regular Membership meeting for a second vote.

In closing, I again thank all the members who came out and gave their support to their Union.

Thank you and have a *great* weekend!

Fraternally,

Joe Cortese
