Teachers School Safety

Secure Our Future...

...with high-quality teachers and other instructional staff by increasing their compensation. Miami-Dade County Public Schools (M-DCPS) gives Miami-Dade residents reason to be proud with ever-rising student achievement and graduation rates. This remarkable performance that earned our school system an "A" rating is largely the result of committed, talented people to the teaching profession and retaining see a promising financial future in the profession!

Secure Our Future...

...with additional School Resource Officers to reinforce the numerous safety enhancements M-DCPS has implemented and continue to augment safety protocols and security procedures in all schools.
